OUR STRATEGY

The life of a Jesus follower is all about relationships. And relationships are deepened over time. We believe there are **four strategic ways** that you and I can choose to invest our time in growing all three of these relationships:

GOD TIME

What we do for God must come from the overflow of our intimacy with God. God time is the essential time spent daily alone in fellowship with God. For resources on God Time, visit www.awakeningseattle.com/god-time

GATHER TIME

Gather Time is time spent weekly gathering in worship with Awakening Church. The Bible encourages us to gather together often to worship God, encourage each other, fellowship, use our spiritual gifts to bless others, grow in Christ, and share the Gospel with those who don't yet know Jesus. For resources on Gather Time, visit www.awakeningseattle.com/gather-time

GROUP TIME

Group time is consistent time spent in community with a small group from my church. In their purest form, these gatherings are a safe place where people can encounter God and find the resources and relationships to nurture their spiritual growth. For resources on Group Time, **visit www.awakeningseattle.com/group-time**

GO TIME

Go Time is time spent annually deploying on mission locally & globally. Living as a Jesus follower involves mobilizing to display God's love and declare the gospel by serving others in our city and around the world. For resources on Go Time, visit www.awakeningseattle.com/go-time

Our strategy is made up of _____ strategic relationships to accomplishing our mission at Awakening Church: God Time, Gather Time, Group Time, and Go Time.

Our strategy is like a _____ that helps you clearly see your

_____ to living out our mission.

God uses these strategic relationships to _____

into the kind of person we believe God is calling us to be.

I want to grow spiritually by taking _____ steps this year. Out of the four strategic time

relationships (God, Gather, Group, & Go), I see the need to personally prioritize

in a greater way. This positions me to be a _____ for Spiritual Awakening.

Part of Awakening Church's mission is to Deploy on mission to make disciples of Jesus. This is a joyful but challenging journey that will give you life-long tools for growing in intimacy with Jesus.
