

PRAYER CALENDAR

Every movement of God starts with a prayer movement. We can't just encourage prayer, we must mobilize it!

STEP 1: Write out 30 names of people you know (Ex. phone, Fb, etc.) And then put her name at the top of each box.

STEP 2: Reach out to the person 1-2 days in advance and tell them they are on your prayer calendar. Ask how you can specifically be praying for them.

STEP 3: Either by phone call or text, pray for them on that day. Have the request on your mind throughout the day.

STEP 4: Do this every day. Feel free to add/change your calendar each month as the Holy Spirit leads. Keep track of answered prayers.

STEP 5: After living this out consistently, for at least, a few weeks, invite/train 2-5 others to make their own prayer calendar. Ask them how it's going and challenge them to invite/train others.
